

**2018 Phil Barber Award for Outstanding Community Patron
Eddie Robertson**

Eddie Robertson first moved to Southlake in 1976. He attended his first Carroll football game in the fall of 1978 when Carroll hosted Farmersville, who was then the number one ranked team in the state. That evening, Carroll would upset Farmersville 32-27 and a Dragon fan was born. For the next 40 years, he would support not only our football teams, but all of Dragon Athletics. He has never refused a request from our Dragon staff or boosters and

has volunteered his time and services in many ways over the years. Upon his retirement, he even worked for the district as a bus driver. Mr. Robertson is a founding member of our esteemed Dragon Council. His devotion to Dragon students, Dragon traditions and the Dragon community at large is ever present and felt by all. We applaud his dedication to Dragon Nation.
