

2022 Jay Armstrong Outstanding Award

Robert Clayton '00

Robert Clayton's first day as a Dragon was in 1994 as a 7th grader at Carroll Middle School. Since then, Robert has bled green. He always has a willingness to help others, has a passion for mentoring the youth and continues to give back to his community in any way possible. People who know Robert will tell you he is a "Give the shirt off his back type of guy."

Robert is a Carroll Graduate class of 2000. He has been a coach for Dragon Youth Football and continues to volunteer his time within the organization. Robert currently serves as co-chairman for The Dragon Classic (Annual Carroll Dragon Golf Tournament), the Southlake Carroll Hall of Honor serving as Vice Chairman, and board member and treasurer for The Carroll Dragon Touchdown Club. Robert also operates two businesses within the Southlake community. Robert is a realtor for

Southlake based Clayton & Clayton Real Estate and is owner of Southlake based Texan Fitness LLC. Robert and his entire family are still here within the community along with 7 (nieces and nephews) that will be Carroll Graduates in the years to come.

This community has given so much to Robert, he truly feels his purpose is to give back and is forever grateful to Dragon Nation. Robert says "Protect the Tradition. Plain and Simple. Being a Dragon Alumni means embodying the standards this community stands by, has provided, and continues to build on - Being part of Dragon Nation is something us alumni hold very near to our hearts. It is an honor."

Robert currently resides within Carroll ISD with his wife Taylor (who is also a Carroll Alumni).
