

\$33.6M

FY22: Carroll ISD estimates that 34.6% of property tax dollars will be recaptured by the State of Texas to fund less property wealthy school districts.

\$4,037 per student will not make it to the classroom. Beginning in 2002, Carroll ISD became a Chapter 41 (property wealthy) school district. In the State of Texas, wealthy school districts are required to send a portion of locally generated funds to the state's general fund and other less-wealthy districts. As of 2020, \$333 million has been recaptured by the state and sent to other districts. This year, we anticipated the state will recapture \$33.6 million in revenue. That's 34.6% of your local property tax dollars that will never make it to your child's classroom.

WHAT DOES THIS MEAN?

There is limited funding for teachers not defined as "essential" by the State of Texas. Underfunded positions include:

- Nurses
- Gifted & Talented Teachers
- Campus Tech Coordinators
- Counselors
- Librarians
- Special Teachers (Art, Music, PE)
- Elective Teachers
- Foreign Languages
- Learning Labs
- AP and Pre-AP Classes
- Classes in Technology, Journalism, Debate, Statistics, Calculus, Biology II, Chemistry II, Creative Writing, Fine Arts
- Band, Choir, Orchestra, and Drama Programs
- All Sports Programs

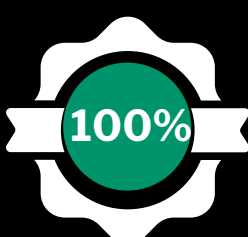

85% of the Carroll ISD M&O budget funds staff positions.

WHAT'S STANDING IN THE WAY?

Funding. CEF was created 26 years ago to ensure excellence in Carroll ISD schools, despite budget shortfalls. Donations from families and community businesses will truly impact students' lives and academic outcomes by directly funding the teachers that influence them every day.

100% Of Donations Received Were Used To Fund Carroll ISD Teachers & Student/Alumni Scholarships.
